

## An Index to B. F. Skinner's *The Shaping of a Behaviorist*

Robert Epstein and Janice Kathryn Olson  
Cambridge Center for Behavioral Studies

In the previous issue of this journal we offered a detailed index to the first volume of B. F. Skinner's autobiography, *Particulars of My Life* (Alfred A. Knopf, 1976). Below appears an index for the second volume, *The Shaping of a Behaviorist: Part Two of an Autobiography* (Knopf, 1979). It applies to both the hardcover and paperback editions. An index for the third volume, *A Matter of Consequences* (Knopf, 1983) will appear in a future issue.
